Proverbs 16: 3 Commit to the Lord whatever you do, and your plans will succeed.

Greetings from Costa Rica!

We are half way through completing our Spanish language training. We definitely recognize we can speak and understand a great deal. Thank you Lord!!!! There are days we feel we have learned a lot and then we have days we feel we haven't. This is typical with learning a language but we continue to press on.

We are doing great! The family is healthy, we are enjoying friendship with the locals and we are excited about our months ahead. As many of you know our destination has changed from Peru to Guatemala. After a few months of prayer and speaking with people, we felt God leading us to Chicicastengo, Guatemala. We plan on arriving in Guatemala late November 2011. We will be helping grow a shoe business that is currently being operated by Pray America. This business hand makes high quality shoes that we want to sell in the USA or other countries. **Each pair of shoes we sell, we will give a pair of leather shoes to a child in need.** One of the goals is to bring this business to a profitable level at which point the profits can be used to support the other ministries such as the battered girl's home and the home building ministry. This business will be used as an opportunity to display the Gospel of Jesus Christ with the employees as well as anyone we do business with. We are excited about this and look forward to seeing what God does.

We ask that you continue to pray for us. Pray for discernment, protection for our family and God's will to be done. We are growing closer to the Lord every day and we feel blessed that we are on this journey. We do have a blog that gets updated as needed. The address is www.teamtandy.wordpress.com.

Again, thank you for your prayers and friendship.
