

We are humbled to inform you that we are answering Christ's call to

"Go into all the world!"

Recently we've joined with **Wycliffe Bible Translators' Global Service Program**

a mission dedicated to translating the Word of God into every language.

Our role within GSP will be to serve in the OneStory mission.

We plan to travel to southeast Asia in September of 2012. There we will commit a minimum of **two**

years to assimilating into the society of an unreached people group. After learning the language, we will work with national storytellers to help craft about 50 Bible stories into the local language. Then we will help them teach the stories to the people. Finally, an audio recording of the stories will be left with the group. Thus they will hear the **greatest story ever told** – *that of the gospel of Christ.*

A S I A

OneStory is a commitment to give away your life for the purpose of glorifying God through translating Biblically accurate and culturally relevant Bible stories into another language. The vast majority of the world's **2 billion+** people that have never heard the name of Christ, are illiterate. These people learn by passing on **stories**. Their cultures, histories, and memories are tied up in storytelling. OneStory follows the example of the *greatest story teller of all time*, **Jesus Christ**, and takes the Word of God to

these unreached people in a way that speaks to their hearts
- in oral form -
